Your complete guide to this issue's BONUS VIDEOS

This issue comes with 9 full-length bonus videos: Five of them match the pictorials in this issue, so after you've finished jacking off to your favorite girls in this issue, head online and watch them cum in hardcore HD.

As always, these bonus videos are absolutely free. There are no strings attached. They can be played on your PC, laptop, Mac, iPhone, iPad, smartphone or tablet. You can stream them or download them and save them forever. No email, credit card or personal information will be requested. You'll also get a free digital version of the entire issue so you can take *Naughty Neighbors* anywhere you go.

Here are the highlights of this issue's bonus scenes.

Amber wants to check on her neighbors' sex life. She climbs on top of a chair to look over the fence. We don't know what she saw, but it must have turned her on because she immediately strips off all of her clothes and rubs her young cunt right there on the patio.

Remy starts off bashful, but soon she's got an ass full of cock! What's not to love about a 21-year-old girl who politely asks you to stuff all of her holes with your man meat?

Lola is our Bush Baby of the issue. Honestly, she could be the Bush Baby of the decade! She gives an erotic strip tease before toying her hairy cunt with a toy.

V. Monroe loves cock. She loves the whole cock. Her tongue makes love to the balls, the taint, the tip and the shaft. Then, she creams on that dick as it rams her tight pussy.

Brie is so damn cute. We feel as though our guy should have taken her out to ice cream instead of plowing her doggie-style and cumming on her face, but we're glad he didn't.

Luna wants to grab you a beer. She tells you to sit down and make yourself comfortable. Then, she puts on a private strip show and masturbates right on the kitchen counter just for you.

Jayme is a pale redhead with freckles. She shouldn't be stripping and cumming outside with her complexion, but girls will be girls.

Kosame has big tits and a PHAT ass. She has "come fuck me" eyes, and her pussy is hot, fragrant and dripping wet. What are you waiting for?

Mandy is another young teen with an adorable body. So what! Everybody knows that 18-year-old pussy is the best. She lifts up her skirt to show off her freshly shaved, barely-legal cunt before gaping herself with her fingers.

Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: Daisy

"When I lost my virginity, it was uncomfortable. I didn't do it again for six years," Daisy told us. So why is she our secret kinkster of the issue? "I kinda had a 'fuck it' moment last year. I fucked a guy at Comic-Con who was dressed in his furry costume. Only his dick was sticking out! And now I only watch latex porn when I masturbate, too."

From:
San Diego, California
Height: 5'4"
Weight: 115

Age: 23
Born: April 13
Ht: 5'1"
Wt: 110 pounds
Bras: 32A
Panties: Anything comfortable
Anal: I love it
BJs: Spit
Masturbate: Yes

Ava is a gorgeous Southern gal with a cute accent and a sizable kiester for such a small girl. We flew her down to Miami to shoot her debut scene, and we told her to wear whatever made her comfortable. "I chose a bikini because that's what I normally wear instead of regular underwear. I can't stand the way normal panties feel."

Judging by her photos, Ava feels more comfortable out of her bikini than in it. "I'm usually naked when I'm at home," she told us, confirming our suspicion. "I have a significant other who loves it. He tells me that I spoil him because I'm always ready for a romp. We fuck at least once a day. I think our record is six times in 24 hours."

Don't hold back with Ava
"I like aggressive sex, and I'm more passive than assertive. I like getting tied up, spit on, slapped, throat fucked and having my ass fingered while doing it doggie-style. My guy tells me that I'm the perfect sex partner."

BLOCK PARTY

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

ONE BOURBON, ONE SCOTCH, ONE BLOWJOB.

Cat cafes have been popping up around the world since the late '90s when the enterprising Zhang family in Taipei thought to combine cups of tea and coffee with housebroken kitties for patrons to socialize with. Likeminded entrepreneurs in Bangkok went a different direction with that concept. For the equivalent of around $30-$50 USD, you can have a beer, some peanuts and a blowjob from an eager Thai girl. Depending on which place you choose, full-service options may exist.

There are guides online to help you find the best Thai blowjob bar, but most of them are located in the red light district next to the Nana Skytrain station in Khlong Toei. Most bars offer walk-in services and offer imported and domestic beers, a full

Top-shelf liquor, top-shelf pussy.

I'll have the number 69, please.

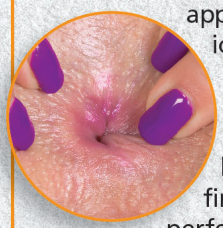
liquor selection and around 10 girls for you to choose. You can add as many girls to the mix as you'd like, but the prices will multiply.

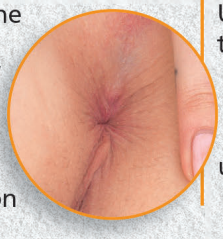
As far as décor goes, each bar is different. Some, like world-famous Wood Bar (formerly Dr. BJs) are clinical-feeling with white walls, tile floors and no art. Others, such as Lolitas Bangkok feel like nightclubs with dark lighting, pops of neon colors and deep bass music. Lolitas was voted the #1 blowjob bar by The Worldwide Adult Tour Guide.

Whether you're already traveling to Thailand for work or if you want to plan a trip specifically for slob-job, we hope you give a blowjob bar a shot. And, if you do go, let us know how it went!

THE WORLD'S BEST

Brian Sloan, the 39-year-old inventor of the Autoblow sex toy, appreciates the aesthetic beauty of female genitalia. In 2015, he launched a worldwide vaginal beauty contest to find the perfect pussy. We here at *NN* have had a similar contest because it's a hell of a lot of fun to research. Three million





Users voted on the perfect holes.

votes were cast from 191 countries around the planet. The next year, Sloan created a new contest to find the most-beautiful anus in the world. All said and done, he awarded $10,000 to the winners of each of his contests. The winners also had their genitals 3D-replicated for a new version of the Autoblow.

HOW TO

Safely shave your balls

First, yes, you should absolutely keep your nutsack clean and trimmed. It's a personal choice if you want to keep some fuzz down there, but your balls should never look like Teen Wolf's chest. In 2005, a study in the journal Sex Roles found that 63.6 percent of 118 men questioned at the University of South Florida said that they removed or trimmed body hair other than on their faces. A more-recent study found that number has jumped to nearly 80 percent in just under a decade. In other words,

Luna

Pasadena, California

Video editor
Age: 27
Born: September 28
Ht: 5'1"
Wt: 125 pounds
Bras: 32B
Panties: Thongs, mostly
Anal: I haven't tried it yet
BJs: Swallow unless there's a lot
Masturbate: I do it to porn

Luna is an El Salvadorean cutie who came to California when she was a young girl. That accounts for her rich caramel-colored skin tone. Her puffy tits are genetic, too. "My mom's and sisters' boobs look just like mine," she shared excitedly after our camera guy complimented her chest. Then she added, "I love when guys cum on them."

You bet this chick is horny
"My fantasy is to be under a table while a bunch of guys are playing poker and I'd suck each one off while they carry on like nothing crazy was happening. I'd love to swallow one load and then move on to the next guy."

Amber

Cleveland, Ohio

Student
Age: 19
Born: April 9
Ht: 5'1"
Wt: 120 pounds
Bras: 34A
Panties: Thongs
Anal: Licking and fingering
BJs: Swallow
Masturbate: Not regularly

We love young redheads. That's why we're excited to introduce Amber, whose mischievous smirk made our day when we shot her. "I'm excited to finally be shooting porn," Amber shared. "I've been thinking about doing this for a long time. All of my friends call me a freak because of how much I love having sex, so they weren't surprised when I told them I was doing this."

Amber likes getting filled
"One time, a friend of mine handcuffed me and fucked me with a humongous dildo and his dick at the same time. It was double-vaginal penetration. It was snug in there, but let's just say that my sheets were soaked that night."

Jaimie

Boulder, Colorado

Certified Public Accountant
Age: 27
Born: August 13
Ht: 5'5"
Wt: 126 pounds
Bras: 34B
Panties: Black thongs, usually
Anal: Yes
BJs: Swallow
Masturbate: At least once a day

"I realized that even though I was masturbating all the time, I wasn't getting off the same way I used to. It wasn't as satisfying," Jaimie shared with us. "I realized I needed to push the envelope a little bit. I wanted to test my limits. That's how I ended up here. It's weird to get naked in front of strangers, but it's really exciting, too."

Jaimie likes getting out and about in nature "I love the outdoors. I hike all the time, and I do some mountain climbing, skiing, biking and running. For first dates, I always suggest a long walk. We can grab coffee, head for a trail and enjoy our conversation. Plus, there are always plenty of places to pull off the trail and make out if the date is going well."

She's got great soles

"It's not very freaky, but I'd say my biggest kink has to do with feet. I like when guys give me foot rubs, but I love it when they bow down and lick my toes. An ex of mine worshipped my feet and gave them a nightly tongue bath."

Sera

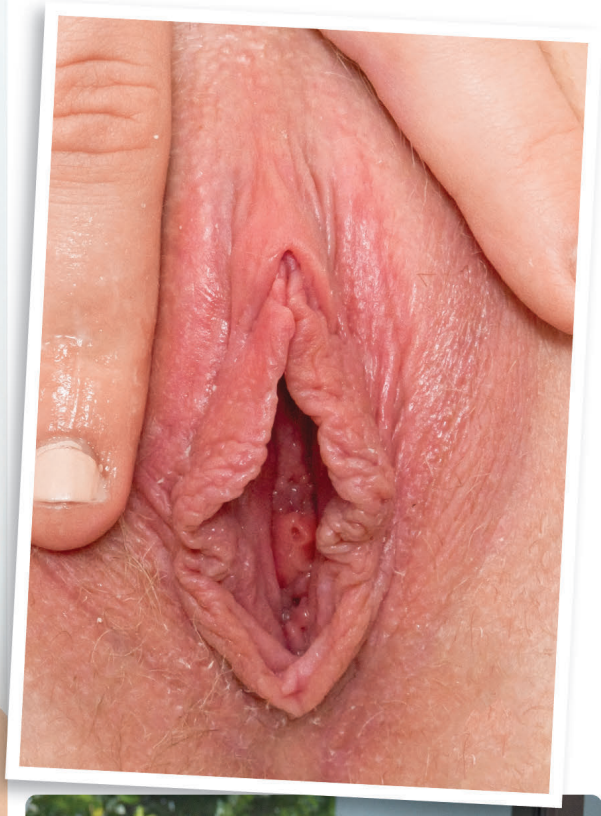
Veterinary assistant
Age: 21
Born: February 14
Ht: 5'6"
Wt: 140 pounds
Bras: 32B
Panties: Thongs or commando
Anal: It's a possibility
BJs: Spit
Masturbate: Every day

"I'm definitely not the kind of girl you'd expect to see in porn," Sera told us matter-of-factly. We believe her. She's got an innocent, bubbly personality of a sorority girl, not the gung-ho raw sexuality of famous porn stars. "But I can get pretty wild," Sera elaborated. "I've been with chicks, had threesomes and love giving head."

"I had my first threesome with an older couple in their 30s. The wife put nipple clamps on herself and then shoved a butt plug up her ass. She let me fuck both of her holes with a strap on while I let her husband face fuck me. It was a full-on gagging, sloppy, drooly blowjob. By the end of the night, both she and I were drenched in spit, cum and sweat, and we were all exhausted."



She wants you to share-a Sera
"I masturbate every day with my vibrator or dildo, and sometimes I use both. I like sucking on one while using the other one on my pussy so I can fantasize about two guys taking their turns on me."

Anal: Yeah! Fuck my butt
BJs: Usually swallow
Masturbate: Every day

Remy knows she looks young, and she leans into it. "I definitely wear bright colors and make myself look young. Guys like young-looking girls and I want to make my guys happy. And, yes, I say 'guys'-plural because I'm dating a lot of different men at the moment. Most of them are a lot older than me, and they love having a little blonde princess they can spoil and do dirty things to."

It's usually hard to convince amateurs to do anal. That's not true with Remy. "I'm game for whatever," she told us. "I love doing anal, so that's definitely on the table. As long as you give me a few minutes to get ready, my asshole is as open as my pussy. I do anal all the time at home. It's almost as good as vaginal sex."

"Your stud's cock was thicker than what I'm used to. As soon as he pushed it into my pussy, I thought, 'oh, no. My poor ass is gonna get it.' But I came right before he put it in my butt, so I was nice and relaxed. I used a bunch of thick lube to make it easier, and it felt so good as he slowly started to fill me up. My pussy was dripping by the time he was balls deep inside me."

Lola is from Spain, but she spends a lot of time in the United Kingdom. She's a traveler and doesn't like being pinned down in one location for too long. At least that's what our photographer friend based out of London told us when he sent in these photos. We don't know too much about Lola except that her bush is magnificent.

BUSH Baby

Our photographer said

"Lola is a hippie girl, and she was a lot of fun to shoot. She was sensual and playful. She came from masturbating using only her fingers. Then, she came again with a toy. Her pussy was creaming by the end of the day."

Wt: 135 pounds
Bras: 38DD

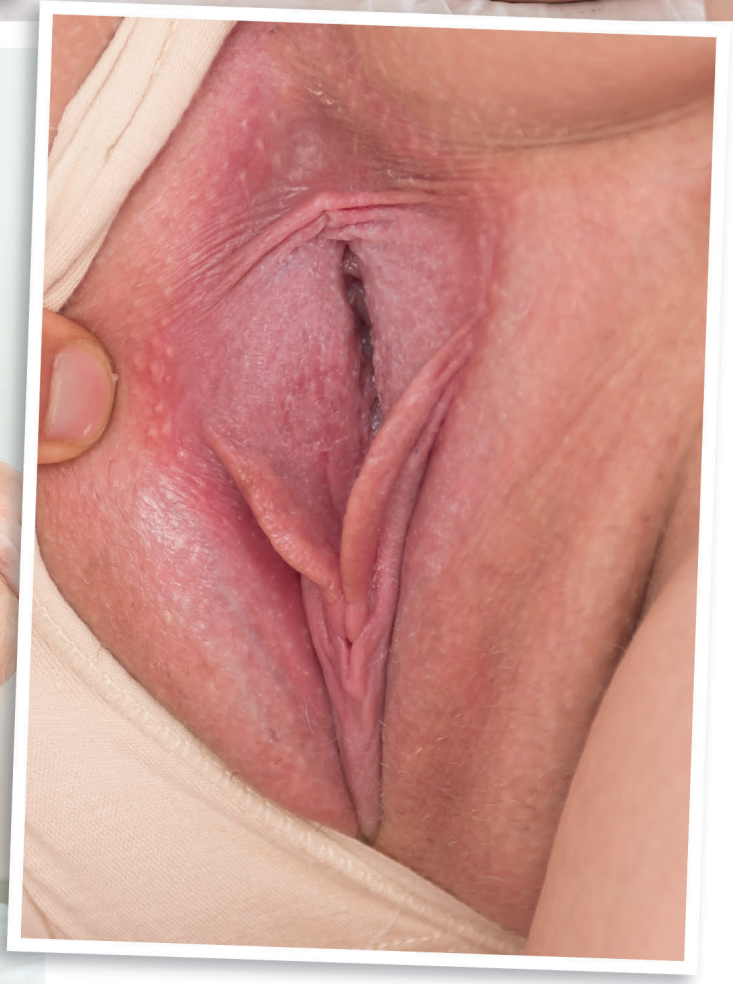
V. Monroe has been having fun since she turned 18. "I wouldn't say I'm going too far," she told us. "But I'm definitely exploring and experimenting. I got my nipples pierced and my tattoo done right after I turned 18. I think they're rad. My friends might think that I've gone off the deep end, but I'm finally living my best life."



"I love it when guys suck on my tits, and my piercings make it feel better. I'll bet I could cum just from having a guy licking my nips. I was so wet after having your stud do that, I knew I had to return the favor and give him some high-quality head. Lucky for him, I know what I'm doing."

Moving onward and upward

"My high school boyfriend broke up with me when I told him I wanted to do porn. Whatever! Now I get to fuck guys with big dicks and it'll last longer than 15 seconds. I can finally have an orgasm without using a vibe on my clit."

trimmed or shaved male bodies are rapidly becoming the norm. If you're looking to join the hairless horde, we'll supply you with some tips to help you do the deed safely. After all, it takes more than a steady hand to keep yourself intact when a razor is so close to your jewels. If you feel unsure about doing the deed, or just want to learn a couple of new pointers, then this is the article for you. Shaving your boys with a safety razor can be a risky endeavor, but we're here to help.

Let's address why you want to trim your nuts. Cutting your pubes gives the illusion that your penis is more substantial than it really is. In the porn industry, it's common knowledge that trimming the shrubbery makes the hedge seem taller. Shaving your balls won't have any effect on their perceived size, but it does have the added benefit of keeping smells away. Your ball sweat isn't what causes odor. It's actually your body's natural bacteria clinging to the hair that causes it to linger. The more hair you have, the more areas there are for the bacteria to adhere to, and that means your balls may be the reason why girls are rushing through a blowjob. You still need to shower and adequately dry your nether region, but staying smooth can be an added protectant against stank-ass. Additionally, some men report finding that testicle stimulation is enhanced when their balls are shaved. More sensations can't be a bad thing!

Before you begin, make sure you're sober and of right mind. You don't want to be distracted while per-

forming this operation. You're going to want to cut down any overgrowth with a personal grooming device. We're talking about not just your balls, but around the shaft, above, and an inch or two below the nuts. Electric beard trimmers work well and come with comb guides to keep the blades a safe distance from any sensitive parts, but we've found that electric razors purpose-built for pubic hair yield better results. Besides, who wants their beard trimmer pulling double duty on their nuts? Check the box or go online to research which models specifically mention pubic trimming as their primary function. Going slowly and pulling your skin taut will help keep everything safe.

Don't worry about doing too much removal at this point. You'll be using a razor in the next step. When you get to the thighs, pull the trimmer off of your skin slowly in a sweeping motion. If you stop abruptly, you'll end up with a stark difference between hairless skin and leg hair. Imagine a trucker's tan made out of hair but in your jockeys instead of on your forearms. It's not a good look.

Jump in the shower and wash away any errant hairs clinging on after your trim. When you're clean, give your balls a spritzing of cold water. Just like shaving your face, you want your skin firm and the hairs stiff, so cold water works better than hot. If you want to go an extra step

towards nutsack perfection, you can store your shaving cream in the fridge for an hour before you begin. Choose something with aloe vera or another soothing agent, but men's and women's shaving creams are usually identical other than scents.

There is a big difference in razors, however. Men's razors are usually smaller to allow for more-controlled facial hair trimming. Women's razors are larger to accommodate removing large swaths of leg hair. Perhaps the biggest difference is in the head angle. Men's razors are usually at a

more oblique angle because men shave looking directly into a mirror. Women's razors are slanted differently because they shave while looking down towards their legs. Try both to see which works best for you.

Begin the process with a full lather. Using short, calm strokes, gently work from the outside in. Don't apply too much pressure. When you're halfway through, rinse off all of the foam and inspect for missed areas. You'll probably have to repeat this process two or three times before you're entirely hairless. Depending on how hairy you are, you might have to give some attention to your taint. That's fine, but we don't recommend shaving your asshole. That's a complicated matter that might be bet-

Gia

Baltimore, Maryland

Office administrator
Age: 22
Born: September 3
Ht: 5'10"
Wt: 110 pounds
Bras: 36A
Panties: Thongs if anything
Anal: I'm working on it
BJs: Spit most of the time
Masturbate: Not much

"I was hooking up with this guy I know with a huge cock," Gia told us after we asked her why she wanted to shoot porn. "I'm talking, like, ten inches long and thicker than I could get my mouth around. He wanted to film me giving him head, so I let him. He asked me if he could post it online, and I let him. Reading the comments people left turned me on so much that I asked him to film some more stuff. We stopped seeing each other for other reasons, but I wanted more comments, so I called you guys."

Baby steps towards butt stuff

"I'm working on doing anal. I want to let a guy fuck my butt, but my body won't let it happen. I tighten up too much. I've been popping a finger in my ass while I masturbate to get more used to the feeling, so we'll see how that goes."

"I never thought I'd be doing this," Gia shared. "I'm not particularly wild. When I go out in public, it's usually in shorts and a tee or a crop top. I'm not, like, a show-off. I've only had sex in public a handful of times, and always because I thought nobody else was around. Like, one time I had sex with an ex on a nature walk on top of a mountain. There were other people on the trail, but we finished before they caught up to us."

Scarlett

Grand Island, Nebraska

Student
Age: 20
Born: December 20
Ht: 5'2"
Wt: 120 pounds
Bras: 32B
Panties: Lacy thongs
Anal: Yes
BJs: I only swallow
Masturbate: Yes

Isn't Scarlett adorable? We love her smile, her meaty pussy lips that you could spend hours sucking on, and we adore her teeny-tiny nips that are almost always hard. Most of all, we love how hard she tries to please. "I spent a few hours yesterday shaving my pussy for you guys," she told us. "I wanted to put my best foot forward."

Big skills for such a small girl

"I really love deepthroating. I was garbage at it before I started college, but now I can deep throat any dick you throw my way. I bought an extra-long, extra-soft dildo to practice on. I can get nine inches down my throat now!"

Luna

Panties: I'd rather go commando
Anal: I'm not sold on the idea
BJs: Swallow
Masturbate: Yes

If Luna looks familiar, you must have a very keen eye. We featured her in our NN2504 issue last year. "Things have been good since I was in the mag. I started dating a new guy who loves that I posed, and I got a new, adorable puppy. We're all planning on going on a cross-country road trip next summer."

"I'm just about to finish getting my degree in environmental science. College is the best. I get to experiment with a lot of different things and find out what I like. For instance, I've discovered how much I love eating pussy! My friend and I were bored, so we decided to make out. Things escalated from there."

Let's start a convoy

"I love giving road head, so my boyfriend is going to have a good time on our road trip. My favorite thing to do is pull my pants down so I moon the other drivers while I'm sucking his cock. I'm surprised I haven't been arrested yet!"

ter attended to by a grooming professional.

Rather than using an aftershave, we suggest using a moisturizing lotion. Aftershave uses drying agents like alcohol. Your goal should be to soothe your skin, not punish it. Also, you shouldn't plan on having sex the same day you trim. If you accidentally knick yourself, you're opening yourself up to bacterial infections. And, if you're unlucky enough to catch a bit of skin on your razor, fucking with a cut on your balls won't feel great.

Before you begin hacking away at your nuts, be sure to ask your partner what she prefers. Although it wasn't in a published scientific journal, a recent survey from Cosmopolitan found that 70% of women wanted their sex partners to be trimmed, 12% wanted them to be completely shaved, and 10% wanted them to be all-natural. So even if you aren't taking your ball hair down to the skin, be sure to keep yourself tidy. You'd want the same from your girl, right? NN

Ht: 5'11"

Wt: 140 pounds

Bras: 36C

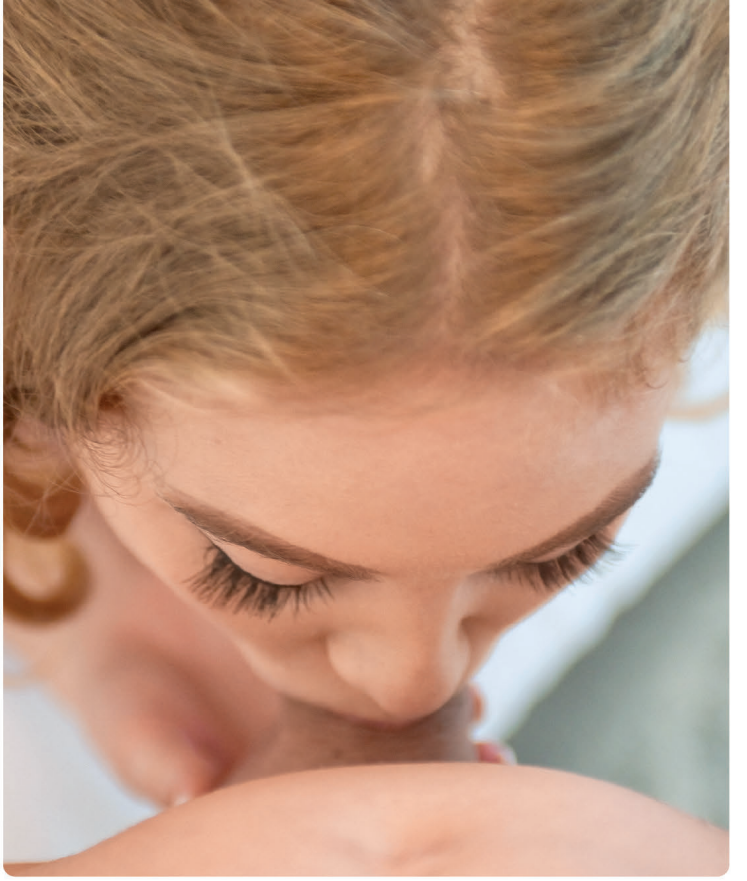
Panties: V-strings

Anal: Yes

BJs: Swallow if you want me to

Masturbate: I have tons of toys

Sweet Southern babe Brie is a slice of perfection. She's adorable, and she craves hard cocks in all of her holes. "God, I love dick," she sighed as she slurped on our stud's dong. "I could suck dick for hours," she continued between bobs on the guy's tip. We asked her if she preferred anything else. "Well, maybe getting fucked with my ankles by my head."



"I'm a crazy-horny person, and I need to cum at least once a day. You should see my sex drawer! There are condoms of all sizes because every guy deserves to fuck regardless of how big his cock is. I've got loads of toys of all shapes, colors, sizes and purposes. I usually use two or three at a time. My favorite combo is a buttplug, a vibe and a dildo."

"Having one-on-one sex is the best because it's more romantic and easier for me to cum, but there's something naughty about including more people. I had my first threesome back in high school with my best friend's brother and his best friend. I loved being the center of attention, and the guys were wonderful. I let them both finish on my titties after they made me cum."

It's still worth the risk

"I love facials just as much as the next slut-next-door, but nothing beats an old-fashioned creampie. I have an impregnation fetish. I'd never say it to my partners because they'd probably freak, but I imagine getting knocked up every time I get a creampie."
